Dear Hommocks Parents,

I hope this school year is going well. We are pleased to share tentative plans for the Spring Hommocks (Modified) Interscholastic Sports season.

Our FamilyID registration link for Hommocks Spring sports registration is open and is located [Hommocks Modified Sports Registration](#). All parents and/or guardians must register their Hommocks athlete for the spring season using FamilyID. FamilyID is a secure, user friendly registration platform.

If this is your first time registering through FamilyID, please begin by clicking the link, "Instructions on Creating a New FamilyID Account" and create your profile.

If you have already created a profile through FamilyID, please click the HMX Registration tab and then the Blue Register Now Family ID button. Be sure to sign up for **ONE** spring sport only. THIS REGISTRATION IS ONLY OPEN FOR HOMMOCKS SPRING SPORTS REGISTRATION.

Depending on the number of participants registered, any/all modified school spring sports could involve a tryout process. Spring teams could field larger rosters, but coaches will have to meet the safety protocols for away contests. Travel rosters are designed to create a safe travel environment.

We anticipate the Spring season will move forward according to the following schedule:

- Start date for practices/tryouts will begin on 5/3.
- All sports will have at least 3 days of in person tryouts before any roster decisions are made.
- Hommocks sports are a 5 day per week commitment (Monday-Friday).
- Season will conclude on 6/4.

We will hold a virtual zoom meeting **Tuesday, April 27th, at 6:00 PM** ([Modified Sports Parent Link](#))

Looking forward to a happy, healthy spring season. Go Tigers!

Sincerely,

Bari Suman
