

Mamaroneck High School Spring Sports Update

April 12, 2021

Dear Parents/Guardians,

I hope you and your families are doing well. All spring sports are scheduled to begin their season on April 19th. The spring season will overlap for 1 week with the Fall II season, which is currently playing. Practices next week will be concurrent. Finishing the current Fall II season of participation is the priority.

Athletes will receive at least a three day tryout for spring sports. Prior to game competition, baseball players require 10 practices, and all other spring sports require 6 practices. Practice eligibility credit will be provided for Fall II participants playing spring sports. Baseball players will receive 4 days of practice credit, and all other Fall II athletes will receive 3 days. Students must actively participate in practice/tryout sessions for competition eligibility.

Please read the information below carefully if your child intends to participate. **Depending on the number of participants registered, any/all high school spring sports could involve a tryout process. Spring teams could field larger rosters, but coaches will have to meet the safety protocols to away games, meets & matches. Travel rosters are designed to create a safe travel environment for teams.**

For 9th-12th graders, Mamaroneck High School offers:

- Boys and Girls Varsity Track & Field
- Boys and Girls Varsity and JV Lacrosse
- Boys Varsity, JV and **Freshman (4/26 start date)** Baseball
- Girls Varsity and JV Softball
- Boys Varsity and JV Tennis
- Boys Varsity Golf (Girls are permitted to tryout for the team)

Spring Sports Parent Meeting:

The athletic department will hold their Spring Sports parent meeting on Tuesday, April 20th at 6:30 PM. Please use the Zoom Link provided to attend the meeting. Individual Varsity coaches will be in contact about sport specific meetings regarding program expectations.
