

WELCOME TO FIRST GRADE!

Dear Future 1AL Students and Families,

My name is Ms. Lorys and I will be your first grade teacher! I can't begin to tell you how excited I am to have you in my class this year! It's going to be a fun year filled with lots of learning and new adventures. We will spend a lot of time growing as readers, writers, and mathematicians. I can't wait to see what the year has in store for us. Before I can get to know all about *you*, I thought you might like to know a few things about me!

I have been a teacher for three years. This will be my first year teaching at Chatsworth. It will also be my first year teaching first grade. That means we are new to first grade together! I am so excited to spend my first year as a first grade teacher learning and growing right alongside of you! I have so many fun things planned for us.

One of my all-time favorite things to do is read. I can't wait to share some of my favorite books with you this year! I also love to spend time with my family and friends. My favorite season is the summer because I love going to the beach, and going on vacation to Cape Cod with my family.

On the first day of school, I will be waiting for you at the door of Classroom 104. Please remember that the school day starts at 8:40 AM and ends at 3:00 PM. You will bring your backpacks into our classroom and unpack your supplies at your desk. Please be sure to bring a water bottle that can be filled throughout the day at the water fountain. Please also bring in a picture of your family that we will hang up in our classroom.

We are going to have a great year together! I can't wait to meet you, and hear all about your summer. I will see you soon!

Your teacher,
Ms. Lorys.
