WE NEED TO OPERATE NOT JUST AS A SCHOOL DISTRICT BUT AS A
COMMUNITY

Initial Goal: Proactive preparation for the impact of the COVID19 health crisis on the Larchmont-Mamaroneck Community

Current Goals/Focus:

1. Keep a pulse on the changing needs of our community
2. Collaborate in the development of multi-tiers of support in response to needs
3. Bridge mental health supports between the school and community agencies
4. Expand and strengthen overall school-community partnerships

OUTCOMES

- Development of protocol for death in school community
- Brainstorming on supportive moves for closing the school year
- Identification/Sharing of community resources available over summer months
 - Participation in LMCC parent sessions
 - Social Work Hotline
 - Collaboration with Hunger Task Force and Food Pantry
- Ideas for creating conditions that make adults and students feel safe and connected come Fall re-entry
 - Introduction of Trauma-informed Practices to All Teachers
 - Guidance and worker “impact” brainstorm sessions
 - Open Forums for staff and students
 - LMCC Parent Tips
- Ways to identify, assess, and provide for those in need
 - Informational Zoom sessions for Spanish speaking parents
